

Warrior™

Available with EcoFlex™ System

Walk-Behind Scrubbers

FACT SHEET

Rugged, Flexible, Easy to Maintain and Operate.

The Advance Warrior™ industrial battery rider-scrubber with EcoFlex™ System puts green cleaning, deep cleaning and everything in between into your hands. While other green scrubbers tout "one clean fits all," Warrior with EcoFlex System lets you match scrubber performance to the job. This machine's flexibility offers the best of both worlds – the ability to meet green cleaning standards and your standards for clean floors.

The EcoFlex System sets the stage for cleaning green and clean in any of the Warrior's flexible cleaning modes. This innovative system:

- Largest in class solution and recovery tanks for increased productivity
- Allows the use of any detergent (including green-certified) or water-only cleaning
- Optional EcoFlex™ System
- Warrior ST version with robust switch controls

In keeping with the Total Clean® philosophy, the Warrior allows complete and easy access to all machine components for cleaning and maintenance. Total Clean features mean lower cost of ownership and increased productivity to drive down the total cost of cleaning.
